

Shaping Young Canadian Water Leaders

An Inclusive, Forward Thinking and Supportive Community

What do we offer to Canadian YWP?

- **Develop your professional network**
- **Participate in knowledge sharing and education**
- **Find mentors in the industry**

Our Mission

Our goal is to gather together early career professionals working in our country's water sector to network, provide opportunities, collaborate, empower, and support them.

Partnership Opportunities

Invested Partner

An Invested Partnership is for organizations keen on establishing close ties with IWA-YWP Canada ensuring robust and long-term relationship based on a variety of opportunities for engagement with our network and activities at regional, national, and international level.

As an Invested Partner, IWA-YWP Canada will provide you with 5 free conference registrations to the YWPs of your organization; involvement in our international, regional, and national events; and will be featured in our monthly newsletter, website, and social media accounts.

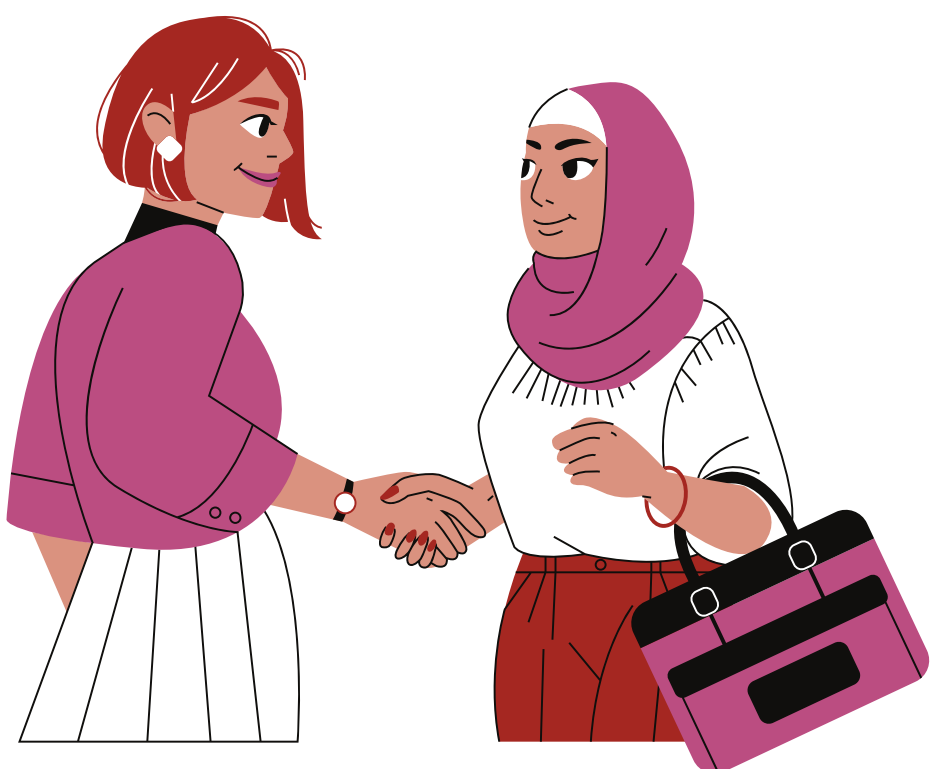

A Collaborative Partnership is for organizations keen on supporting the growth of our chapter in Canada on the regional and national level.

As a Collaborative Partner, you will be involved in our international, regional, and national events; and will be featured in our monthly newsletter, website, and social media accounts.

Collaborative Partner

Networking Partner

An Networking Partnership is for organizations keen on supporting the general activities of our chapter through their social media channels at regional and national level.

As a Networking Partner, your events will be promoted and you will be featured in our monthly newsletter, website, and social media accounts.
